

Sworn Statement of Hollie Rogin

My name is Hollie Rogin. I am 54 years old and the Mayor of Lyons, Colorado. I reside in Lyons, Colorado.

On Friday, May 6, 2022, I attended a tour of the CEMEX plant facility and Dowe Flats with the Lyons Board of Trustees. During the tour, the Plant Manager, Eric Estrada, drove Trustee Gregg Oetting and I from the Lyons Plant to Dowe Flats in his truck. During this ride, I asked Mr. Estrada what the goal of keeping the Plant operating for 15 years was, and I remarked that if the plant were as profitable as he'd mentioned, shutting it down seemed like a poor business model. Mr. Estrada replied that Cemex was building a more efficient and less polluting plant near the Colorado/Wyoming border. Trustee Oetting was a witness to this conversation and agrees that this statement reflects what Mr. Estrada said.

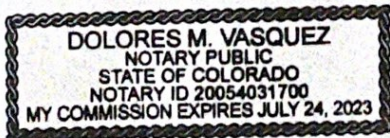

I declare that the information herein is true and complete.
