FROM: Jeff Maxwell, Director
RE: **2022 Annual Highway Users Tax Fund (HUTF) Report to Colorado DOT**

Boulder County Public Works has prepared the attached Highway Users Tax Fund (HUTF) annual submission form for Commissioner review, approval, and signature. The HUTF program requires each Colorado jurisdiction to update the CDOT database on number, length, and width of roads maintained by the jurisdiction on December 31 of each year. Reported mileage and widths are used to determine the amount of HUTF funds distributed for the following year.

The attached form shows a total of 630.255 miles of eligible roads as of 2022 for which the County has maintenance responsibility.

Changes to Boulder County Reported HUTF Mileage (2022 to 2023)

| Miles | |
|-------|--|
| -1.00 | Annexation of Quicksilver Rd by the City of Longmont |
| -0.24 | Annexation of Sunset St by the City of Longmont |
| -1.24 | TOTAL reduction in County-owned and maintained miles (-0.20% reduction) |

Though property annexations did occur in 2022 by the City of Lafayette, City of Boulder, and the Town of Erie, those annexations did not include any Boulder County owned roads. Additionally, not all annexations by the City of Longmont affected any Boulder County owned roads.

The attached signature sheet confirms the mileage and subsequent total HUTF eligibility reports that is submitted to CDOT electronically. The sheet itself is an output of the CDOT website that tracks HUTF eligibility for each jurisdiction in Colorado.

CDOT has requested the signed sheets by end-of-day on February 1, 2023. Please return to Public Works, attention Dave Watson.

ACTION RECOMMENDED

THE PUBLIC WORKS DEPARTMENT RECOMMENDS THAT THE BOARD OF COUNTY COMMISSIONERS EACH SIGN THE ATTACHED BOULDER COUNTY SIGNATURE SHEET TO AFFIRM THE COUNTY'S INVENTORY OF HUTF-ELIGIBLE ROADWAYS.
