Recommendation:

The evaluation committee recommends awarding SOQ #7398-22, Consultant Continuing Services for Boulder County Public Works & Community Planning and Permitting, to the firms indicated by an X below for the disciplines outlined. Firms were assessed on qualifications, past experience and ability to furnish professional services. The reasons firms were chosen over others, includes, but was not limited to, better past project experience alignment with county work, more years of experience from staff members, and better work samples.
