Re: FTE Request-Town of Nederland Contract

The Town of Nederland has contracted with the Boulder County Sheriff's Office to provide police services to the town. The contract was signed by the Board of County Commissioners on May 24, 2023 and pays for one sergeant, four deputies and additional costs incurred by existing employees to provide law enforcement services to the town. A prior contract with the Town of Nederland paid for one deputy for nighttime coverage. That deputy position exists in the Sheriff's Department's current FTE count. The Night Town Deputy agreement has been absorbed into the new contract and accounts for one existing FTE. Therefore, the net FTE increase resulting from this revenue contract is four FTEs.

The Sheriff's Office respectfully requests an increase of four FTEs (one sergeant (RC2) and three deputies (RC1)), to the office's authorized FTE count. The salary, benefit and overhead costs for these positions are funded by the Town of Nederland.
