RE: REQUEST TO SUPPORT TOWN OF LYONS ST VRAIN GREENWAY TRAIL PROJECT

Staff recommends the county provide \$600,000 in funding to the Town of Lyons to assist with completion of the St. Vrain Greenway Trail project.

Lyons' trail project supports the county's regional trail system plans and will serve as an important segment in creating the broader St. Vrain Greenway Trail that will ultimately connect from Lyons to Longmont.

Staff is proposing that the \$600,000 from Boulder County be provided through a combination of funding sources, including \$300,000 from the county's Parks & Open Space Department Conservation Trust Fund which comes from Colorado Lottery funds and can be used for capital improvements or maintenance for recreational purposes on any public site as well as \$300,000 from the county's Community Planning & Permitting Department Transportation Sales Tax funds designated for regional trails, including the St. Vrain Greenway Trail. The \$300,000 in funding requested from the Transportation Sales Tax would be in addition to the prior \$30,000 that the county budgeted to support the initial work on the Town of Lyons' St. Vrain Greenway project.

The requested funding will assist the Town of Lyons with completion of their St. Vrain Greenway Trail project and prevent the risk of losing approximately \$1.048M in project grant funding from the Denver Regional Council of Governments (DRCOG).

Action Requested:

Approval to provide \$600,000 in funding from Boulder County to the Town of Lyons to support completion of the St. Vrain Greenway Trail project within the Town of Lyons.
