**Subject:** Consideration of Triennial Determination for the Continuation of the Rocky Flats Stewardship Council  
**Date:** January 30, 2024

### INTRODUCTION

The Rocky Flats Stewardship Council completes a Triennial Determination for the Continuation of the Rocky Flats Steward Council. The current resolution is for February 2024-2027.

### BACKGROUND

The Rocky Flats Stewardship Council was formed in February 2006 to allow local governments to continue working together on issues related to the long-term protection of Rocky Flats. The Rocky Flats Stewardship Council includes elected officials from ten county and municipal government neighboring Rocky Flats and three community organizations. The Intergovernmental Agreement (IGA) is between the City and County of Broomfield, the Counties of Boulder and Jefferson, the Cities of Arvada, Boulder, Golden, Northglenn, Thornton, and Westminster, and the Town of Superior.

In accordance with the terms of the Intergovernmental Agreement, the Stewardship Council would dissolve without the unanimous triennial determination by the ten local governments that signed the IGA in 2006.

The 2024 Work Plan includes the following elements:

- Organizational Assessment and Realignment
- Department of Energy Management Responsibilities
- Outreach
- Rocky Flats National Wildlife Refuge
- Business Operations

**Fiscal Impact:** The RFSC is funded through the U.S. Department of Energy.

### CONCLUSION

Staff recommends that Boulder County adopts Resolution 2023-104, of Boulder County Regarding the Triennial Determination for the Continuation of the Rocky Flats Stewardship Council (February 2024-2027).
