The County may also request that the Agency provide financial statements to the County showing the Agency's financial condition and use of the Worthy Cause Funds. The Agency will provide the requested documents within 60 days of the County's request.

### **B. Reporting**

### **C. Annual Certification**

On an annual basis, the Agency will submit to the County a written certification affirming the Agency's compliance with this Funding Agreement and any other Worthy Cause agreements currently in effect between the Agency and the County. ### **13. COMPLIANCE AUDITING**

#### **A. Records Maintenance**

The Agency will make, keep, maintain, and allow inspection and monitoring by the County of a complete file of all records, documents, communications, financial statements, notes and other written materials, electronic media files, and communications, pertaining in any manner to the Property, the Program, the Project, or the delivery of Services hereunder. The Agency will permit County access to the Property at all reasonable times and places during the term of this Funding Agreement. The County will provide the Agency with ten days' advance notice of its intention to enter the Property, except if the County reasonably determines there is an immediate need to take emergency action to prevent a material violation of this Funding Agreement.

If the Agency's use of the property fails to comply with this Funding Agreement, or the County otherwise determines that the Agency is noncompliant with its obligations under this Funding Agreement, the County may require the Agency to promptly take action to comply with the Funding Agreement and may exercise the remedies available under this Funding Agreement, at law or inequity in lieu of or in conjunction with such corrective measures.

### **14. SUBSTITUTE COLLATERAL**

With the passage of time, the Property may no longer be suitable for the Program, and it might be necessary for the Agency to secure an alternate property for the Program. Consequently, if the Agency notifies the County that it wishes to purchase another property in Boulder County to replace the Property, and the County determines in its sole discretion that the new Property is sufficient to protect the County's interests, the County will release the Deed of Trust recorded against the Property and the Parties will replace such instrument with a new deed of trust or other security instrument acceptable to the County in its sole discretion, to be recorded against the substitute property to secure the Agency's obligations through the remainder of the Funding Agreement Term. Notwithstanding anything to the contrary herein, the Agency may assign its rights and obligations under this Funding Agreement pursuant to §25(A).

### **15. MODIFICATIONS TO THE PROGRAM AND THE SCOPE OF SERVICES**

With the passage of time the needs of the community and other circumstances may require modifications to the Agency's obligations to administer the Program and provide the Services. Consequently, the Parties may agree to amend this Funding Agreement, along with the Promissory Note and Deed of Trust, if necessary required, to more closely align the Agency's obligations with then-current circumstances and needs of the community. A change in circumstances does not relieve the Agency of its obligations under this Funding Agreement until the County has agreed to amend this Funding Agreement. The County may decline to modify any terms of this Funding Agreement if the Agency fails to show a reasonable need therefor.

## **16. CONFLICTS OF INTEREST**

The Agency will not engage in any business or personal activities or practices or maintain any relationships which conflict in any way with the full performance of the Agency's obligations hereunder. The Agency acknowledges that with respect to this Funding Agreement, even the appearance of a conflict of interest is harmful to the County's interests. Absent the County's prior written approval, the Agency will refrain from any practices, activities or relationships that reasonably appear to be in conflict with the full performance of the Agency's obligations to the County hereunder. If a conflict or appearance exists, or if the Agency is uncertain whether a conflict or the appearance of a conflict of interest exists, the Agency will submit to the County a disclosure statement setting forth the relevant details for the County's consideration. Failure to promptly submit a disclosure statement or to follow the County's direction in regard to the apparent conflict constitutes a breach of this Funding Agreement.

All documents and agreements to be entered into by the County will be in form and substance acceptable to the Authorized Officers in the sole discretion of the Authorized Officers, such acceptance to be evidenced by any such person's execution of any such documents.

**B. Execution and Delivery:** The Authorized Officers are hereby authorized to execute and deliver, and hereby are authorized to affix the County seal and acknowledge, if required, on behalf of the County, any and all agreements, instruments and certificates as such persons in their sole and absolute discretion may deem appropriate or helpful in connection with this Funding Agreement, whether in connection with the closing of the transactions described above or thereafter, and agreements containing such terms and provisions as the Authorized Officer executing the same considers appropriate in his or her sole and absolute discretion, and to do such other acts and things as may be appropriate or helpful and consistent with carrying out the intent and purposes of this Funding Agreement, with the execution and delivery of any of the foregoing documents or the doing of any act or thing being conclusive evidence as to the appropriateness thereof as determined by the Authorized Officer executing or doing the same.

**19. BREACH**

**A. Defined**

In addition to any of the Events of Default, and any breach of this Funding Agreement or the Funding Documents, the failure of either Party to perform any of its obligations hereunder, in whole or in part, or in a timely or satisfactory manner, constitutes a breach.

**The Agency has an affirmative duty to notify the County of the occurrence of any of the Events of Default or any other breach of this Funding Agreement within 10 business days of said occurrence.**

**B. Notice and Cure Period**

In the event that the County determines that the Agency has breached this Funding Agreement, the County will provide written notice to the Agency in the manner provided in §22 and to the person and address listed in **Exhibit B**. If the Agency fails to cure the breach within 90 days of the delivery of the written notice, such uncured breach will constitute an Event of Default, entitling the County to exercise any of its remedies set forth in §21.

The County may determine that a breach is not reasonably capable of being cured within 90 days. In such cases, the Agency will have such additional time as is reasonably necessary to cure the breach, as determined by the County, prior to the County exercising any of its remedies, so long as the Agency takes the following action within the 90-day notice period:

- i. Initiates corrective action; and
- ii. Continues to diligently, continually, and in good faith work to effect a cure as soon as possible.

In no event will the County be precluded from exercising remedies if security or safety becomes or is about to become materially jeopardized by the Agency's breach or failure to cure, or if the breach is not cured within 180 days after first notice of breach is given.

**20. RIGHT TO ACCESS**

The County will be permitted access to, and entrance upon, the Property at all reasonable times upon reasonable advance notice, where 48 hours advance notice will be presumed reasonable. The Agency will allow the County access to its records, which will include, but are not limited to, the Agency's financial statements. The Agency grants the County authority to make copies of any Agency records related to the Agency's performance under this Funding Agreement.

**21. REMEDIES**

**A. Authority to Pursue Available Remedies**

In the event that the County declares an Event of Default, the County will have the remedies listed in this Section in addition to all other remedies set forth in other sections of this Funding Agreement or the Funding Documents. Upon an Event of Default, the County, at its option, may exercise any or all of the remedies available to it, in its sole discretion, concurrently or consecutively. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

**B. Remedies upon Uncured Default**

i. **Declare Due and Payable:** Upon the occurrence of an Event of Default, the County will have the right to declare the amount of Worthy Cause Funds plus 5% interest due and payable (or so much thereof as the County has advanced hereunder), and to enforce its rights under this Funding Agreement and/or any of the Funding Documents, with any amount owing to the County to include the amount of Worthy Cause Funds plus 5% interest.

ii. **Enforcement Generally:** Except as otherwise provided in this Funding Agreement, upon an Event of Default the County will have the right (but not the obligation) to enforce by a proceeding at law or in equity, all restrictions, conditions, covenants and charges now or hereafter imposed by the provisions of this Funding Agreement. Failure by the County to enforce any covenant or restriction contained in this Funding Agreement will not be deemed a waiver of the right to do so thereafter. The prevailing party in any judicial proceeding will be entitled to reimbursement from the non-prevailing party or parties for all reasonable costs and expenses, including attorneys' fees in connection with such judicial proceeding.

iii. **Specific Enforcement:** This Funding Agreement may be specifically enforced against the Agency or any successor in interest, with the Agency specifically acknowledging that the beneficiaries of the Agency's obligations hereunder cannot be adequately compensated by monetary damages in the event of any default hereunder. ## 23. RIGHT OF FIRST REFUSAL

During the term of this Funding Agreement, before the Agency may sell the Property to a third party, the Agency will first offer the Property to the County following the procedures set forth in this paragraph. The County will have thirty (30) days following the date the Agency first presents the County such offer to decide whether to try to negotiate an agreement for the purchase of the Property from the Agency. If the County desires to try to negotiate such an agreement, the County will, within said thirty (30) day period, deliver to the Agency written notice thereof. Promptly thereafter, the Parties will commence good faith negotiations

exclusively with each other for a period not to exceed 120 days after the date the County gives the requisite notice to the Agency. If the Agency does not receive said notice within said thirty (30) day period, or if the Agency receives said notice within said period but the Parties do not enter into a legally binding, written agreement for the purchase and sale of the Property within said 120 day period, the Agency will be free to enter into an agreement with a third party on terms (considered as a whole) no more favorable to the third party than the Agency offered to the County.

The County's consent to the aforementioned assignment will not be unreasonably withheld or delayed.

**B. This Funding Agreement supersedes, as of the Effective Date, any and all prior agreements between the Parties relating to the subject matter of this Funding Agreement, whether written or oral or partly written and partly oral.

The Agency will pay all costs and reasonable attorney's fees, if any, incurred by the County as a result of any such claims or suits, provided that the Agency will have the right to defend the interests of the County with counsel selected by the Agency reasonably acceptable to the County.

In the alternative, if the County is obliged to defend such claims or suits, the time, if any, of the attorneys and paralegals in the Boulder County Attorney's Office spent on any such claims or suits will be paid for by the Agency in accordance with the current hourly market rates in Boulder County for legal services at the time of such legal defense for submission of litigation billing and charges in court cases.

**G. Governing Law:** The laws of the State of Colorado will govern the interpretation and enforcement of this Funding Agreement.

**H. Amendment:** No amendments or modifications will be made to this Funding Agreement unless it is in writing and signed by both Parties.

**I. Severability:** In the event it is determined by a final, non-appealable order of a court of competent jurisdiction that any provision of this Funding Agreement or any other Funding Document is invalid, illegal, or unenforceable, the remaining provisions will survive and their validity, legality or unenforceability will not in any way be affected or impaired thereby, and the Agency and the County agree they will take all such actions as are necessary and reasonable to achieve, to the greatest degree and for the longest possible term, the intent of the affected provisions.

**J. No Third-Party Beneficiary:** The enforcement of the terms and conditions of this Funding Agreement and all rights of action relating to such enforcement will be strictly reserved to the County and the Agency, and nothing contained in this Funding Agreement will give or allow any claim or right of action whatsoever by any other or third person. It is the express intent of the Parties to this Funding Agreement that any person receiving services or benefits under this Funding Agreement will be deemed an incidental beneficiary only.

**K. No Waiver:** No failure on the part of any of the Parties to exercise, and no delay in exercising, and no course of dealing with respect to, any right, power, or privilege under this Funding Agreement will operate as a waiver thereof, nor will any single or partial exercise of any right, power, or remedy under this Funding Agreement preclude any other or further exercise thereof or the exercise of any other right, power, or remedy.

**L. CORA Disclosure:** To the extent not prohibited by federal law, this Funding Agreement is subject to public release through the Colorado Open Records Act (CORA), CRS §24-72-101, et seq. Any related documentation, records, and communications may also be subject to public release under CORA.

**M. Non-Discrimination:** The Agency will not discriminate on the basis of race, creed, color, gender, gender identity, age, marital status, national origin, disability or familial

**N. Safe Condition:** The Agency will maintain the Property in good and safe condition in all respects, and in full compliance with all applicable laws, ordinances, rules, and regulations of any governmental authority with jurisdiction over matters concerning the Property.

**O. Controlling Authority:** The Agency will not execute any other agreement with provisions contradictory to, or in opposition to, the provisions hereof, and in any event, the requirements of this Funding Agreement are paramount and controlling as to the rights and obligations herein set forth and supersede any other provisions in conflict herewith.

**P. No Joint Venture:** Nothing in this Funding Agreement will be deemed to create an agency, partnership, joint venture or employment relationship between the Parties.

**Q. Electronic Signatures and Electronic Records:** Each of the Parties consents to the use of electronic signatures by the other Party. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by any of Parties in the manner specified by such signing Party. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

## **26. EARLY TERMINATION BY AGENCY**

The Agency may terminate this Funding Agreement at any time by giving the County written notice of its intention to do so. In the event that the Agency chooses to exercise this option, the Agency must repay to the County the full Award Amount plus an additional 5% interest. ### **I. PURPOSE OF FUNDING AGREEMENT**

The County has awarded the Agency with \$75,000 in 2024 Worthy Cause Funds for debt reduction for the purchase of their property that is used as a food pantry, community gathering space, for client referral and their office. The property is located at 4830 Pearl Street in Boulder.

### **II. DESCRIPTION OF THE PROJECT**

Debt reduction on the purchase of property that serves as Harvest of Hope Pantry's primary physical distribution location, storage warehouses, staff office space, and meeting space (available to other human services partners for meeting with our clients, etc.). Upon purchase, the building was internally renovated from its former condition for its use today using funds secured through a capital campaign (which also funded the downpayment on the facility). Current debt represents the balance owed on the original property purchase.

### **III. DESCRIPTION OF AGENCY'S MISSION**

Harvest of Hope Pantry's mission is to provide healthy supplemental food to Boulder families and individuals in need of food assistance within a safe, welcoming, and non-judgmental environment.

### **IV. DESCRIPTION OF THE PROGRAM**

Harvest of Hope Pantry is a traditional pantry that mimics a traditional grocery store emphasizing minimal barriers, healthy food options, and referrals and on-site meeting space for additional resources and assistance for community members coping with food insecurity, whether housed and unhoused. Their service involves operating at the new physical location at 4830 Pearl Street in Boulder, where they provide a client-choice selection of zero preparation foods geared toward unhoused clients (such as protein bars, pop-top canned items, yogurt), fresh fruits and vegetables, dairy products, dairy substitutes, bread, frozen foods, perishable prepared meals, meat and non-meat proteins, and shelf-stable foods. The pantry is open five days per week during the day as well as on Tuesday and Thursday evenings. Harvest of Hope Pantry's program also includes two pop-up, mobile pantries with bi-weekly visits to High Mar (an affordable housing development for older adults, many of whom have mobility limitations) and Lee Hill (housing for people who have recently experienced homelessness) so that those who might have prohibitive difficulty accessing their primary location still have regular access to the nutritious food provided.

### **V. SCOPE OF SERVICES**

As a material inducement for the County's award of the Worthy Cause Funds to the Agency, the Agency will provide the following human services to residents of Boulder County.

- Food pantry open to all those in need to address food insecurity in Boulder.
- Provide meeting space and referrals for clients to connect with other local assistance agencies.

**PROMISSORY NOTE  
BOULDER COUNTY WORTHY CAUSE DEBT**

**\$75,000**

[DATE]

FOR VALUE RECEIVED, HARVEST OF HOPE PANTRY, a Colorado nonprofit corporation or housing authority (“Borrower”), promises to pay to the order of the County of Boulder, Colorado, a body corporate and politic (“Payee”), the principal sum of **\$75,000**, together with interest thereon at a rate as set forth herein. Principal and accrued interest are subject to repayment by Borrower through the date that is exactly 99 years after the date of this Note, as set forth herein.

Notwithstanding anything herein to the contrary, except upon the occurrence of an event of default, payments will be not required under this Note. Events of default are described collectively in this Note, the Boulder County Worthy Cause Funding Agreement, and the Deed of Trust.

This Note evidences a debt owed by Borrower to Payee, due and payable upon an Event of Default, pursuant to a Boulder County Worthy Cause Funding Agreement dated [DATE OF SIGNATURE] (the “Funding Agreement”) between Borrower and Payee. Borrower (i) acknowledges and agrees that the Funding Agreement requires Borrower to perform certain obligations under the Funding Agreement, and Borrower agrees to perform, and will perform its obligations under the Funding Agreement, and (ii) any default under the Funding Agreement for which Borrower is responsible, if not cured within applicable cure periods, will constitute a default under this Note.

This Note is executed in connection with and is secured by, and the holder of this Note is entitled to the benefits of a Deed of Trust to Public Trustee (“Deed of Trust”) given by Borrower for the benefit of Payee to secure this Note. Reference is made to the Deed of Trust for a description of the property covered thereby and the rights, remedies and obligations of the holder hereof in respect thereto.

Time is of the essence hereof. In the event of any default or event of default under the provisions of the Deed of Trust, that is not cured within any applicable cure periods set forth therein, then the whole outstanding principal sum of this Note plus accrued interest and all other obligations of Borrower to holder, direct or indirect, absolute or contingent, now existing or hereafter arising, will, at the option of the holder of this Note, become immediately due and payable without notice or demand, and the holder of this Note will have and may exercise any or all of the rights and remedies provided herein and in the Deed of Trust, as they may be amended, modified or supplemented from time to time, and under applicable law.

If Borrower fails to pay any amount due under this Note and Payee has to take any action to collect the amount due or to exercise its rights under the Deed of Trust, including, without limitation, retaining attorneys for collection of this Note, or if any suit or proceeding is brought for the recovery of all or any part of or for protection of the indebtedness or to foreclose the Deed of Trust, then Borrower agrees to pay on demand all reasonable costs and expenses of any

such action to collect, suit or proceeding, or any appeal of any such suit or proceeding, incurred by Payee, including, but not limited to, the reasonable fees and disbursements of Payee's attorneys and their staff.

Borrower waives presentment, notice of dishonor, notice of acceleration and protest, and assents to any extension of time with respect to any payment due under this Note, to any substitution or release of collateral and to the addition or release of any party. No waiver of any payment or other right under this Note will operate as a waiver of any other payment or right.

In the event that this Note becomes due and payable following Borrower's default under the provisions of the Deed of Trust, or Borrower otherwise terminates the Funding Agreement prior to the expiration of its 99-year term, the Borrower will pay to Payee the principal sum of **\$75,000** plus 5% interest.

If any provision in this Note will be held invalid, illegal or unenforceable in any jurisdiction, the validity, legality or enforceability of any defective provisions will not be in any way affected or impaired in any other jurisdiction, and in case of such determination of invalidity, illegality or unenforceability, all other provisions of this Note will remain fully enforceable and will be interpreted so as to give force and effect to the maximum extent possible of the intent of the parties in drafting the provisions of this Note, including any provision that has been held to be invalid, illegal or unenforceable.

No delay or failure of the holder of this Note in the exercise of any right or remedy provided for hereunder will be deemed a waiver of such right by the holder hereof, and no exercise of any right or remedy will be deemed a waiver of any other right or remedy that the holder may have.

Neither Borrower, any member, partner, officer, director, shareholder, employee, agent or affiliate of Borrower, or any third party will have any personal liability for any amounts owing under this Note, and in the event of any default under this Note Payee will look solely to the collateral securing this note, and will not be entitled to seek any deficiency from Borrower, or any member or affiliate of Borrower, or any third person.

(c) The Trustee may, upon production of the Note duly canceled, or a

properly executed Request for Release of Deed of Trust without evidence of debt, and payment of all fees and costs by Grantor, release this Deed of Trust without further showing as to payment of the Obligations. (d) If there is more than one Grantor, all the terms and conditions of this Deed of Trust will apply to each of them. (e) The Trustee may release parts of the Property from the lien of this Deed of Trust upon the request of Beneficiary without impairing any rights or priority Beneficiary may have in the remainder of the Property or against Grantor. (f) Failure on the Beneficiary's part to exercise its rights in the event of any one default will not constitute a waiver of such rights in the event of any subsequent default. (g) Any notice and other communications required or contemplated by this Deed of Trust will be in writing and will be delivered (and deemed given) as set forth in the Note, addressed to the parties at the respective addresses set forth in the Note or at such other address as may be designated in writing from time to time by the Grantor or the Beneficiary. - B. Grantor will acquire, construct, renovate, improve, build fixtures/improvements upon, preserve, own, operate and manage a non-profit human services delivery program on the Restricted Property (the "Program").
- C. The County administers Worthy Cause IV pursuant to Board of County Commissioners' Resolution No. 2017-89 and 2017 County Ballot Issue 1A, "Worthy Cause 0.05% Countywide Sales and Use Tax Extension," which was adopted by the voters of the County of Boulder in November 2017.
- D. The purpose of Worthy Cause IV is to address the critical need for capital funding of nonprofit human services agencies and housing authorities within Boulder County that provide health, mental health, transitional and permanently affordable housing and other human services, including but not limited to childcare and early childhood education, basic needs such as food and clothing, and services for the elderly and people with disabilities.
- E. Worthy Cause IV funds are collected by and through a voter-approved 0.05% countywide sales and use tax. Worthy Cause IV funds are awarded to select eligible nonprofit

The Boulder County community will benefit from the non-profit human services programming on the Restricted Property that this Covenant requires.
- I. Grantor desires to grant to the County a restrictive covenant running with the land over the Restricted Property in exchange for, and in consideration of, inter alia, the County providing the Funds to Grantor. It is the intent of both Parties that, during the term of this Covenant, this Covenant shall be binding on Grantor, its successors and assigns.
- J. Grantor and the County desire that this Covenant be recorded in the official land records of Boulder County to create covenants running with the land for the purpose of enforcing certain undertakings of Grantor in connection with Worthy Cause IV by restricting the use of the Restricted Property as set forth herein.

Grantor shall include, verbatim or by incorporation by reference, all requirements and restrictions contained in this Covenant in any deed or other documents transferring any interest in the Restricted Property to any other person or entity to the end that such transferee has notice of and is bound by such restrictions, and shall obtain the express written assumption of this Covenant by any such transferee.
  - c. During the term of this Covenant, before the Grantor may sell the Restricted Property to a third party, the Grantor shall first offer the Restricted Property to the County following the procedures set forth in this paragraph. The County shall have thirty (30) days following the date Grantor first presents the County such offer to decide whether to try to negotiate an agreement for the purchase of the Restricted Property from Grantor. If the County desires to try to negotiate such an agreement, the County shall, within said thirty (30) day period, deliver to Grantor written notice thereof. Promptly thereafter, the Parties shall commence good faith negotiations exclusively with each other for a period not to exceed 120 days after the date the County gives the requisite notice to Grantor. If Grantor does not receive said notice within said thirty (30) day period, or if Grantor receives said notice within said period but the Parties do not enter into a legally binding, written agreement for the purchase and sale of the Restricted Property within said 120 day period, Grantor shall be free to enter into an agreement with a third party

on terms (considered as a whole) no more favorable to the third party than Grantor offered to the County.

- d. In the case of potential or actual foreclosure, the County shall reserve the option to acquire the Restricted Property. The Parties agree to the following provisions related to foreclosure or foreclosure prevention:
  - i. Grantor agrees that it will give immediate notice to the County upon the first to occur of: (a) the date any notice of foreclosure is provided to Grantor or any foreclosure is commenced against the Restricted Property, or (b) the date when Grantor becomes 21 days late in making a payment on any indebtedness encumbering the Restricted Property required to avoid foreclosure.
  - ii. At any time within 60 days after receipt of any notice described immediately above, the County may (but shall not be obligated to) proceed to make any payment required in order to avoid foreclosure or needed in order to redeem the Restricted Property after foreclosure. Upon making any such payment, the County shall succeed to all rights of Grantor to the Restricted Property and shall assume all of Grantor's rights and obligations under the encumbrance underlying the foreclosure proceedings, subject to the terms of this Covenant. In such event Grantor shall forthwith quit the Restricted Property and relinquish possession thereof to the County.
  - iii. The County's rights above to assume all of Grantor's rights to the Restricted Property may only be exercised after the commencement of foreclosure proceedings with respect to Grantor's interest in the Restricted Property, which are not dismissed within 90 days.
  - iv. Grantor shall repay to the County all sums paid by the County in connection with the encumbrance and all other sums reasonably expended by the County in relation to the Restricted Property, plus three percent simple interest from each date of expenditure. This redemption may only occur within one of the following time periods from the date when the County made the first of any payments, whichever period is longer: twelve months; or the period of time allowed by C.R.S. § 38-38-302, or any successor statute, for redemption by the foreclosed-upon owner of real property that has been sold pursuant to the foreclosure of a deed of trust or mortgage. As of the date of such redemption, Grantor shall re-assume all of its rights and obligations under the encumbrance. At the end of redemption period set forth herein, if Grantor's interest has not been so redeemed, all right, title and interest of Grantor in the Restricted Property shall be extinguished, and Grantor shall execute a quit claim deed to the County to evidence transfer of title to the County.

7. Physical Maintenance/Management/Books/Records/Inspections.

- a. Grantor shall maintain the Restricted Property and any buildings thereon in a manner reasonably satisfactory to the County, taking into account applicable health, safety and building codes.
- b. Grantor is required to keep all records related to the Program for a minimum of the most recent five-year period. Records may be maintained in electronic format.

8. Enforcement.

- a. Grantor covenants that it will not knowingly take or permit any action that would result in a violation of the requirements of this Covenant.
- b. The County shall be permitted access to, and entrance upon, the Restricted Property at all reasonable times, but solely for the purpose of inspection in order to enforce and assure compliance with the terms and conditions herein contained. The County shall provide Grantor with five days' advance notice of its intention to enter the Restricted Property, except if the County determines there is an immediate need to take emergency action to prevent a violation of this Covenant.
- c. In the event of any failure of Grantor to comply with the provisions of this Covenant, the County shall inform Grantor by written notice of such failure and provide Grantor a period in which to correct such failure. If any such failure is not corrected to the satisfaction of the County within the period of time specified by the County, which shall be at least 90 days after the date any notice to Grantor is mailed, or within such further time as the County determines is necessary to correct the violation, but not to exceed any limitations set by applicable regulations, without further notice the County may declare a default under this Covenant effective on the date of such declaration of default, and the County may (i) apply to any court, state or federal, for specific performance of this Covenant or an injunction against any violation of this Covenant; (ii) secure the appointment of a receiver to operate the Program in compliance with this Covenant; or (iii) exercise any other remedies at law or in equity or any such other action as shall be necessary or desirable to correct non-compliance with this Covenant.
- d. **Grantor and the County each acknowledges that the primary purpose of requiring compliance by Grantor with the restrictions provided in this Covenant is to assure compliance of the Program and Grantor with the language and purpose of Worthy Cause IV, as described and referenced in the above Recitals, AND BY REASON THEREOF, GRANTOR IN CONSIDERATION OF RECEIVING THE BENEFIT OF WORTHY CAUSE CAPITAL FUNDING HEREBY AGREES AND CONSENTS THAT THE COUNTY SHALL BE ENTITLED, FOR ANY BREACH OF**

District of the State of Colorado and the applicable Colorado Appellate Courts or within courts of the United States District Court for the District of Colorado, if appropriate.

- d. Amendments. This Covenant may be amended from time to time by any written instruments signed by both the County and Grantor.
- e. Breach. Any waiver of a breach of this Covenant shall not be held to be a waiver of any other or subsequent breach of this Covenant. All remedies afforded in this Covenant shall be taken and construed as cumulative, that is, in addition to every other remedy provided herein or by law.
- f. Invalidity Provision. Should any of the provisions of this Covenant be held to be invalid or unenforceable, then the balance of the agreement shall be held to be in full force and effect as though the invalid portion was not included; provided, however, that should the invalidity or unenforceability go to the essence of the agreement or be of substantial nature, then the Party or Parties who would receive the benefit of the provision, were it not invalid or unenforceable, shall have the option to terminate this Covenant, forthwith.
- g. Headings. Headings in this Covenant are for convenience or reference only and shall not be used in the interpretation or construction of this Covenant.
- h. Governmental Immunity. Nothing in this Covenant shall be construed in any way to be a waiver by the County of its immunity protection under the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, et seq., as amended.
- i. No Waiver; Remedies. No failure on the part of any of the Parties to exercise, and no delay in exercising, and no course of dealing with respect to, any right, power, or privilege under this Covenant shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or remedy under this Covenant preclude any other or further exercise thereof or the exercise of any other right, power, or remedy. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.
- j. Counterparts. This Covenant may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be a single agreement.

- k. Electronic Signatures and Electronic Records. Each of the Parties consents to the use of electronic signatures by each of the other Parties. The Covenant, and any other documents requiring a signature hereunder, may be signed electronically by any of Parties in the manner specified by such signing Party. The Parties agree not to deny the legal effect or enforceability of the Covenant solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Covenant in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.
  
- l. Complete Agreement. This Covenant represents the complete agreement between the Parties hereto and shall be fully binding upon the successors, heirs, and assigns of the Parties, if any, during the term hereof. This Covenant supersedes, as of the Effective Date, any and all prior agreements between the Parties relating to the subject matter of this Covenant, whether written or oral or partly written and partly oral.
