Definitions

- A. "AidKit Property" means (i)(A) AidKit's proprietary technology platform and system (including without limitation software, source code, methodologies, algorithms, processes, designs, reports, writings, hardware, databases, electronic systems (including database management systems), and proprietary and technical information therein) for gathering, analyzing, modifying data and making available cash grants to beneficiaries, and (B) AidKit's technical data, creative designs and concepts, web designs, trade secrets and know-how, business plans, software, algorithms, programming techniques, business rules, business methods, inventions, drawings, engineering, hardware configuration information, marketing and strategic plans, financial data, processes, technology and designs which it maintains for purposes of providing the Services (collectively, "AidKit Technology"), that is owned by Contractor prior to the Effective Date of this Agreement, or licensed by Contractor from third parties at any time for use in connection with the Work or subsequent SOW under this Agreement; (ii) improvements, enhancements, derivative works, additional modules or features made by AidKit to any of the materials in (i) or (ii) above (collectively "Modifications"), whether or not such Modifications were made by AidKit on the basis of any feedback, ideas, suggestions, or information provided by the County, and (iii) any and all Intellectual Property Rights within the foregoing.
- B. "County Data" means all information provided to or collected by Contractor for or on behalf of the County, including all recipient data, in connection with the Work, including but not limited to the Resultant Data.
- C. "Work Product" means any and all Intellectual Property Rights, whether finished or unfinished, and whether or not included in the Work, that are developed, produced, generated or provided by Contractor in connection with Contractor's performance of

its duties under the Contract or through use of any funding provided under this Contract and other work products that arise out of or which result from the Work as specified in a subsequent SOW that are carried out by Contractor and any of its subcontractors, and which are funded by the Contract or subsequent SOW from the County.

- D. “Resultant Data” means data and information in an anonymized manner derived from or related to Contractor’s performance of the Work that is used by Contractor, including to compile statistical and performance information related to the provision and operation of the Work.

In consideration of the mutual covenants contained in this Contract, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Incorporation into Contract: The **Summary** is incorporated into this Contract. The **Contract Documents** are incorporated into this Contract by reference, except to the extent that contractor-drafted documents, if any are incorporated, contain any obligations placed upon County and not otherwise contained in this Contract. In the event of any conflict between any **Contract Documents** incorporated into this Contract, the language shall be interpreted in favor of the County.

2. Authorization to Start Work: County will assign the work or portions of the work described in Exhibit B – Scope of Work to Contractor through written task orders sent to the Vendor Contact Name and Email. The task order(s) may be a purchase order or purchase orders. Contractor may only commence work and County will only be obligated to pay for work as described in each task order issued pursuant to this Contract. County is not obligated to issue any task orders under this Contract. Contractor may not commence any work until the County sends a task order specifying the work to be performed at that time.

3. Scope of Work: The Scope of Work is defined in Exhibit B – Scope of Work, which is incorporated by reference (“**Work**”). Contractor will provide all labor and equipment and do all tasks necessary and incidental to performing the **Work**. Contractor will perform all **Work** (a) in a good and workmanlike manner, (b) at its own cost and expense, (c) in accordance with recognized industry standards of care, skill, and diligence for the type of work being performed, and (d) in strict accordance with the Contract.

4. Time to Complete Work: Contractor must complete all **Work** before the **End Date** of this Contract and in compliance with any additional timing requirements identified in Exhibit B – Scope of Work. Any extension of the **End Date** requires a written amendment, which may require the approval of the Board of County Commissioners, the County Administrator, or County Department Heads/Elected Officials. Any amendment may require the Contractor to provide a then-current Certificate of Insurance to the County that complies with the Insurance Requirements identified in Exhibit A of this Contract.

5. Payment for Work Performed: In consideration of the **Work** performed by Contractor, and subject to conditions contained in this Contract, County will pay an amount not to exceed \$376,500 to Contractor in accordance with the **Contract Documents**.

6. Invoicing: Contractor will promptly provide a copy of its Form W-9 and invoice template to County upon request. Contractor will submit invoices to the County upon completion of each milestone. All invoices submitted require the following components: Contractor’s name and address (submitted W-9 address must match remit address), milestone achieved, and dates of

services., "Bill to: Boulder County" language, payment remittance address, date of invoice, unique invoice number, and total amount due. Contractor must send all completed invoices to the **Office or Department Accounting Email** in the **Summary**. Failure to submit invoices in a timely manner and in accordance with the terms of this Contract will relieve County of its obligation to make timely payment, resulting in a day-by-day slide of payment relative to invoice receipt. County may recoup any damages incurred because of Contractor's failure to submit invoices pursuant to the terms of this paragraph. County's acceptance or payment of an invoice will not constitute acceptance of any **Work** performed under this Contract.

7. No Additional Services: In order for Contractor to provide additional services for additional compensation beyond \$376,500, the Parties must first execute a written amendment before the then-current **End Date**. A written amendment may require the approval of the Board of County Commissioners, the County Administrator, or County Department Heads/Elected Officials. If necessary, the written amendment will incorporate an updated Scope of Work and/or updated Insurance Requirements.

8. Reserved

9. Indemnity: Contractor will indemnify and hold harmless County, its elected officials and appointed department heads, and its employees, agents and representatives (the "indemnified parties"), from any and all liability, claims, demands, actions, damages, losses, judgments, costs or expenses, including attorneys' fees, which may be made or brought or which may result against any of the indemnified parties as a result or on account of the actions or omissions of Contractor, its employees, agents or representatives, or other persons acting under Contractor's direction or control, provided, however, the foregoing indemnity obligations will not apply to Losses resulting from, arising out of, or in any way connected to (1) grossly negligent, reckless or intentional misconduct of any Indemnified Party, (2) any breach by any Indemnified Party in performance of its obligations under this Agreement, or (3) any inaccuracy or incompleteness of the Indemnified Party's Data which occurs through no fault of Contractor or due to any defect in the Work Product. This indemnification obligation will extend to claims based on Contractor's unauthorized use or disclosure of confidential information and intellectual property infringement. County will not be obligated to indemnify or defend Contractor under any circumstances. Contractor's obligations under this provision shall survive expiration or termination of this Contract. Nothing contained in this Contract or the **Contract Documents** is intended to limit or restrict the indemnification rights or obligations of any Party under this provision, or damages available for breaches of the obligations herein. For the sake of clarity, Contractor shall be responsible for repaying any overpayment made in error, and indemnifying the County for any liability related to such error, to the extent such error is caused by the actions or inactions of Contractor, including through Contractor's use of the AidKit Property; provided, however, Contractor shall not be responsible for any overpayment that results from the actions or inactions of the County or any inaccuracy or incompleteness of the County Data. In addition, Contractor shall indemnify, save, and hold harmless the Indemnified Parties, against any and all costs, expenses, claims, damages, liabilities, court awards and other amounts (including attorneys' fees and related costs) incurred by any of the Indemnified Parties in relation to Contractor's failure to comply with §§24-85-101, et seq., C.R.S., or the Accessibility Standards for Individuals with a Disability as established by OIT pursuant to Section §24-85-103 (2.5), C.R.S.

10. Nondiscrimination: Contractor will comply with the Colorado Anti-Discrimination Act, ~~24-85-401, et seq.~~, as amended, and all applicable local, State and Federal laws concerning discrimination and unfair employment practices. County prohibits unlawful discrimination on the basis of race, color, religion, gender, gender identity, national origin, age 40 and over, disability, socio-economic status, sexual orientation, genetic information, or any other status protected by applicable Federal, State or local law. Contractor must require that its subcontractors, if any, similarly comply with all applicable laws concerning discrimination and unfair employment practices.

11. Information and Reports: Contractor will provide to authorized County, State, and Federal government representatives all information and reports that may be required for any purpose authorized by law. Contractor will permit access to such representatives to Contractor's facilities, books, records, accounts, and any other relevant sources of information. Where information required by a representative is in the exclusive possession of a person or entity other than Contractor, Contractor must so certify to the County and explain what efforts it has made to obtain the information.

12. Independent Contractor: Contractor is an independent contractor for all purposes in performing the Work. None of Contractor, its agents, personnel or subcontractors are employees of the County for any purpose, including the Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the Colorado Workers' Compensation Act, the Colorado Unemployment Insurance Act, and the Public Employees Retirement Association. Accordingly, County will not withhold or pay any income tax, payroll tax, or retirement contribution of any kind on behalf of Contractor or Contractor's employees. As an independent contractor, Contractor is responsible for employing and directing such personnel and agents as it requires to perform the Work. Contractor will exercise complete authority over its personnel and agents and will be fully responsible for their actions.

13. Termination

a. Breach: Either Party's failure to perform any of its material obligations under this Contract, in whole or in part or in a timely or satisfactory manner, will be a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) days after the institution of such proceeding, will also constitute a breach. In the event of a breach, the non-breaching Party may provide written notice of the breach to the other Party. If the breaching Party does not cure the breach, at its sole expense, as reasonably determined by the non-breaching Party in its sole discretion, within thirty (30) days after delivery of notice, the non-breaching Party may exercise any of its remedies provided under this Contract or at law, including immediate termination of this Contract.

b. Non-Appropriation: The other provisions of this Contract notwithstanding, County is prohibited by law from making commitments beyond the current fiscal year. Payment to Contractor beyond the current fiscal year is contingent on the appropriation and continuing availability of funding in any subsequent year. County has reason to believe that sufficient funds will be available for the duration of the Contract. Where, however, funds are not allocated for any fiscal period beyond the current fiscal year, County may terminate this Contract without penalty by providing thirty (30) days' written notice to Contractor. The County's obligations to pay Contractor under this Agreement are in all respects subject to the continued availability of funding. All funding is strictly subject to SLFRF and ARPA funding requirements, and all funds must be fully expended/distributed on or by December 31, 2026.

c. Convenience: In addition to any other right to terminate under this Section 13, either Party may terminate this Contract, in whole or in part, for any or no reason, upon thirty (30) days' written notice to the other Party.

14. Contractor Obligations upon Termination or Expiration: By the **End Date** or effective date of termination, if earlier, Contractor must (1) remove from County property all of its personnel, equipment, supplies, trash and any hazards created by Contractor, (2) protect any serviceable materials belonging to the County, and (3) take any other action necessary to leave a safe and healthful worksite. Any items remaining on County property after the **End Date** or the effective date of termination, if earlier, will be deemed abandoned by Contractor.

15. Payable Costs in Event of Early Termination: If County terminates this Contract before the **End Date**, Contractor's payments (and any damages associated with any lawsuit brought by Contractor) are limited to only (1) payment for all completed milestones satisfactorily executed and fully completed, as determined by County prior to delivery of the notice to terminate, and (2) payment for the reasonable and actual completed portion of milestones not yet fully completed.

16. Remedies for Non-Performance: If Contractor fails to perform any of its obligations under this Contract, County may, at its sole discretion, exercise one or more of the following remedies (in addition to any other remedies provided by law or in this Contract, including in Exhibit B – Scope of Work), which shall survive expiration or termination of this Contract:

a. Suspend Performance: County may require that Contractor suspend performance of all or any portion of the Work pending necessary corrective action specified by the County and without entitling Contractor to an increase in compensation or extension of the performance schedule. Contractor must promptly stop performance and incurring costs upon delivery of a notice of suspension by the County.

b. Withhold Payment Pending Corrections: County may permit Contractor to correct any rejected Work at the County's discretion. Upon County's request, Contractor must correct rejected work at Contractor's sole expense within the time frame established by the County. Upon full and final completion of the corrections satisfactory to the County, County will remit payment to Contractor.

c. Deny Payment: County may deny payment for any Work that does not comply with the requirements of the Contract or that Contractor otherwise fails to provide or fully and finally complete, as determined by the County in its sole discretion. Upon County request, Contractor will promptly refund any amounts prepaid by the County with respect to such non-compliant Work.

d. Removal: Upon County's request, Contractor will remove any of its employees or agents from performance of the Work, if County, in its sole discretion, deems any such person to be incompetent, careless, unsuitable, or otherwise unacceptable.

17. Binding Arbitration Prohibited: County does not agree to binding arbitration by any extra judicial body or person.

18. Conflicts of Interest: Contractor may not engage in any business or personal activities or practices or maintain any relationships that conflict in any way with the full performance of Contractor's obligations. For clarity, Contractor confirms that they have not offered, given, or accepted, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, service to the other in connection with this Agreement.

19. Notices: All notices provided under this Contract must be in writing and sent by Certified U.S. Mail (Return Receipt Requested), electronic mail, or hand-delivery to the other Party's **Contact Name and Email** specified in the **Summary**. For certified mailings, notice periods will begin to run on the day after the postmarked date of mailing. For electronic mail or hand-delivery, notice periods will begin to run on the date of delivery.

20. Statutory Requirements: This Contract is subject to all statutory requirements that are or may become applicable to counties or political subdivisions of the State of Colorado generally, including but not limited to: C.R.S. § 38-26-107, which requires withholding funds where the County receives a claim for payment from a supplier or subcontractor of Contractor upon notice

of final settlement (required for public works contracts that exceed \$150,000); C.R.S. § 8-17-101 et seq.; C.R.S. § 18-8-301, et seq.; C.R.S. § 18-8-401, et seq.; and C.R.S. §§ 24-85-101, et seq., C.R.S.. Specifically, Contractor shall comply with and the Work provided under this Contract shall be in compliance with all applicable provisions of §§24-85-101, et seq., C.R.S., and the Accessibility Standards for Individuals with a Disability, as established by OIT pursuant to Section §24-85-103 (2.5), C.R.S. Contractor shall also comply with all State of Colorado technology standards related to technology accessibility and with Level AA of the most current version of the Web Content Accessibility Guidelines (WCAG), incorporated in the State of Colorado technology standards. The County may require Contractor's compliance to the State's Accessibility Standards to be determined by a third party selected by the State to attest to Contractor's Work and software is in compliance with §§24-85-101, et seq., C.R.S., and the Accessibility Standards for Individuals with a Disability as established by OIT pursuant to Section §24-85-103 (2.5), C.R.S.

21. No Suspension or Debarment: Contractor certifies and warrants for the duration of the **Work** and the duration of the Contract, that neither it nor its principals nor any of its subcontractors are debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this Contract by any Federal or State department or agency. Contractor shall comply, and shall require its subcontractors to comply, with subpart C of 2 C.F.R. § 180.

22. Entire Agreement/Binding Effect/Amendments: This Contract represents the complete agreement between the Parties and is fully binding upon them and their successors, heirs, and assigns, if any. This Contract terminates any prior agreements, whether written or oral in whole or in part, between the Parties relating to the Work. This Contract may be amended only by a written agreement signed by both Parties.

Any claim relating to this Contract or breach thereof may only be brought exclusively in the Courts of the 20th Judicial District of the State of Colorado and the applicable Colorado Appellate Courts.

25. Breach: The failure of either Party to exercise any of its rights under this Contract will not be deemed to be a waiver of such rights or a waiver of any breach of the Contract. All remedies available to a Party in this Contract are cumulative and in addition to every other remedy provided by law.

26. Severability: If any provision of this Contract becomes inoperable for any reason but the fundamental terms and conditions continue to be legal and enforceable, then the remainder of the Contract will continue to be operative and binding on the Parties.

27. Third-Party Beneficiary: Enforcement of the terms and conditions and all rights and obligations of this Contract are reserved to the Parties. Any other person receiving services or benefits under this Contract is an incidental beneficiary only and has no rights under this Contract. Contractor is solely responsible for ensuring that its performance under this Contract and the Work itself will comply with all Federal, State, and local laws, regulations, ordinances and codes. County approval of the Work or any aspect of Contractor's performance, such as plans, designs, or other Contractor-drafted documents, shall not be interpreted to mean that Contractor has satisfied its obligations under this Section.

33. Litigation Reporting: Contractor represents that Contractor is not currently involved in any action before a court or other administrative decision-making body that could affect Contractor's ability to perform the Work. Contractor will promptly notify the County if Contractor is served with a pleading or other document in connection with any such action or initiates any action impacting this Contract or the Work contemplated by this Contract.

34. Tax Exemption: County is exempt from payment of Federal, State, and local government taxes. Contractor unconditionally and irrevocable transfer and assigns to the County all right, title and interest in and to any County Data and Resultant Data. Contractor may not use, reproduce, copy, distribute, display, publish or transmit County Data or Resultant Data in any media unless Contractor has obtained approval of the County through written consent of the Boulder County Attorney's Office. For purposes of clarity, Contractor may use and transmit County Data and Resultant Data to County in order to complete the Work. County acknowledges that nothing in this Agreement gives County any right, title or interest in the AidKit Property other than the right to use the AidKit Property in accordance with and only during the term of this Agreement.

The Parties approve the use of electronic signatures, governed by the Uniform Electronic Transactions Act, C.R.S. §§ 24 71.3 101 to 121. The Parties will not deny the legal effect or enforceability of this Contract solely because it is in electronic form or because an electronic record was used in its creation.
