RE: **2024 Annual Highway Users Tax Fund (HUTF) Report to Colorado DOT**

Boulder County Public Works has prepared the attached Highway Users Tax Fund (HUTF) annual submission form for Commissioner review, approval, and signature. The HUTF program requires each Colorado jurisdiction to update the CDOT database on number, length, and width of roads maintained by the jurisdiction on December 31 of each year. Reported mileage and widths are used to determine the amount of HUTF funds distributed for the following year.

The attached form shows a total of 630.070 miles of eligible roads as of 2024 for which the County has maintenance responsibility.

Changes to Boulder County Reported HUTF Mileage (2023 to 2024)

Miles	
-0.075	Annexation of N 111 th St by the Town of Erie
-0.075	TOTAL reduction in County-owned and maintained miles (-0.01% reduction)

Though other property annexations did occur in 2024 by the City of Boulder, City of Longmont, and the Town of Erie, those annexations did not include any Boulder County owned roads.

The attached signature sheet confirms the mileage and subsequent total HUTF eligibility reports that is submitted to CDOT electronically. The sheet itself is an output of the CDOT website that tracks HUTF eligibility for each jurisdiction in Colorado.

CDOT has requested the signed sheets by end-of-day on February 3, 2024. Please return to Public Works, attention Dave Watson.

THE PUBLIC WORKS DEPARTMENT RECOMMENDS THAT THE BOARD OF COUNTY COMMISSIONERS EACH SIGN THE ATTACHED BOULDER COUNTY SIGNATURE SHEET TO AFFIRM THE COUNTY'S INVENTORY OF HUTF-ELIGIBLE ROADWAYS.
