To: Board of County Commissioners

From: Jim Adams-Berger, Strategic Initiatives Manager

Subject: Request ratification of a signature on a Behavioral Health Administration grant amendment for the Community Services Department

The Board of County Commissioners is being requested to ratify a signature provided June 26, 2025, on amendment #3 for contract #24 IBEH 180489 that extends the period of performance through June 30, 2026. This extension was requested to allow the County to continue spending contracted funds that would otherwise expire June 30, 2025. Remaining funds of \$71,579 will be used to support rehab of the 1410 Emery Ct. property in Longmont that was purchased with the use of funds from the same grant.

Thank you for your consideration of this request.
