THIS CONTRACT ("Contract") is entered into by and between the Board of County Commissioners on behalf of the County of Boulder, State of Colorado, a body corporate and politic, for the benefit of Public Works ("County") and Resource Innovations, Inc. ("Contractor" or "Vendor"). County and Contractor are each a "Party," and collectively the "Parties."

In consideration of the mutual covenants contained in this Contract, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Incorporation into Contract: The **Summary** is incorporated into this Contract. The **Contract Documents** are incorporated into this Contract by reference, except to the extent that contractor-drafted documents, if any are incorporated, contain any obligations placed upon County and not otherwise contained in this Contract. In the event of any conflict between any **Contract Documents** incorporated into this Contract, the language shall be interpreted in favor of the County.

2. Authorization to Start Work:

Contractor acknowledges that this Contract does not constitute a guarantee that Contractor will be awarded any projects or work of any kind. County may enter into agreements with other contractors who may compete with Contractor to receive individual projects. If Contractor is selected, whether through an informal bid process, quotes, or otherwise, County will assign work to Contractor through a written task order. The task order may be a purchase order or purchase orders. The task order will list which of the services set forth in Exhibit B – Scope of Work are to be provided by Contractor at that time. County will provide notice of the task order to Contractor at the Vendor Contact Name and Email.

3. Scope of Work: The Scope of Work is defined in Exhibit B – Scope of Work, which is incorporated by reference (“**Work**”). Contractor will provide all labor and equipment and do all tasks necessary and incidental to performing the **Work**. Contractor will perform all **Work** (a) in a good and workmanlike manner, (b) at its own cost and expense, (c) in accordance with recognized industry standards of care, skill, and diligence for the type of work being performed, and (d) in strict accordance with the Contract. For solicitations conducted by formal procurement, the following are incorporated by reference: specifications in the formal procurement and the Contractor’s response to the specifications to the extent that they are responsive to the specifications.

4. Time to Complete Work: Contractor must complete all **Work** before the **End Date** of this Contract and in compliance with any additional timing requirements identified in Exhibit B – Scope of Work. Any extension of the **End Date** requires a written amendment, which may require the approval of the Board of County Commissioners, the County Administrator, or County Department Heads/Elected Officials. Any amendment may require the Contractor to provide a then-current Certificate of Insurance to the County that complies with the Insurance Requirements identified in Exhibit A of this Contract.

5. Payment for Work Performed: In consideration of the **Work** performed by Contractor, and subject to conditions contained in this Contract, County will pay an amount not to exceed the **Contract Not to Exceed** amount identified above to Contractor in accordance with the **Contract Documents**.

6. Invoicing: Contractor will promptly provide a copy of its Form W-9 and invoice template to County upon request. Contractor must submit an invoice to the County by the fifteenth (15th) day of the month for completion of any part of the **Work** performed in the prior calendar month. All invoices submitted require the following components: Contractor’s name and address (submitted W-9 address must match remit address), detailed description of services, dates of services, itemization of labor and materials costs, “Bill to: Boulder County” language, payment remittance address, date of invoice, unique invoice number, and total amount due. Contractor must send all completed invoices to the **Office or Department Accounting Email** in the **Summary**. Failure to submit invoices in a timely manner and in accordance with the terms of this Contract will relieve County of its obligation to make timely payment. Further, County will have no liability for any financial obligations under this Contract if Contractor fails to submit an accurate invoice to the County by January 15th of any calendar year for Work performed in the previous calendar year. County may recoup any damages incurred because of Contractor’s failure to submit invoices pursuant to the terms of this paragraph. County’s acceptance or payment of an invoice will not constitute acceptance of any **work** performed under this Contract. County will pay properly submitted and undisputed invoices within 30 days following receipt.

7. No Additional Services: In order for Contractor to provide additional services for additional compensation beyond the initial **Contract Not to Exceed** amount, the Parties must first execute a written amendment before the then-current **End Date**. A written amendment may require the approval of the Board of County Commissioners, the County Administrator, or County Department Heads/Elected Officials. If necessary, the written amendment will incorporate an updated Scope of Work and/or updated Insurance Requirements.

8. Schedule of Work: County may designate the hours (on a daily or weekly basis) during which Contractor may perform the **Work** strictly for the purposes of minimizing inconvenience to the County and interference with County operations.

9. **Indemnity:** Contractor will indemnify and hold harmless County, its elected officials and appointed department heads, and its employees, agents and representatives (the "indemnified parties"), from any and all third party liability, claims, demands, actions, damages, losses, judgments, costs or expenses, including attorneys' fees, which may be made or brought or which may result against any of the indemnified parties to the extent caused by the negligent actions or omissions of Contractor, its employees, agents or representatives, or other persons acting under Contractor's direction or control. This indemnification obligation will extend to claims based on Contractor's unauthorized use or disclosure of confidential information and intellectual property infringement. County will not be obligated to indemnify or defend Contractor under any circumstances. Contractor's obligations under this provision shall survive expiration or termination of this Contract. Nothing contained in this Contract or the **Contract Documents** is intended to limit or restrict the indemnification rights or obligations of any Party under this provision, or damages available for breaches of the obligations herein. In addition, Contractor shall indemnify, save, and hold harmless the Indemnified Parties, against any and all costs, expenses, claims, damages, liabilities, court awards and other amounts (including attorneys' fees and related costs) incurred by any of the Indemnified Parties in C.R.S., or the Accessibility Standards for Individuals with a Disability as established by OIT pursuant to Section §24-85-103 (2.5), C.R.S.

10. **Nondiscrimination:** Contractor will comply with the Colorado Anti-Discrimination Act, C.R.S. § 24-34-401, et seq., as amended, and all applicable local, State and Federal laws concerning discrimination and unfair employment practices. County prohibits unlawful discrimination on the basis of race, color, religion, gender, gender identity, national origin, age 40 and over, disability, socio-economic status, sexual orientation, genetic information, or any other status protected by applicable Federal, State or local law. Contractor must require that its subcontractors, if any, similarly comply with all applicable laws concerning discrimination and unfair employment practices.

11. **Information and Reports:** Contractor will provide to authorized County, State, and Federal government representatives all information and reports that may be required for any purpose authorized by law. Contractor will permit access to such representatives to Contractor's facilities, books, records, accounts, and any other relevant sources of information. Where information required by a representative is in the exclusive possession of a person or entity other than Contractor, Contractor must so certify to the County and explain what efforts it has made to obtain the information.

12. **Independent Contractor:** Contractor is an independent contractor for all purposes in performing the Work. None of Contractor, its agents, personnel or subcontractors are employees of the County for any purpose, including the Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the Colorado Workers' Compensation Act, the Colorado Unemployment Insurance Act, and the Public Employees Retirement Association. Accordingly, County will not withhold or pay any income tax, payroll tax, or retirement contribution of any kind on behalf of Contractor or Contractor's employees. As an independent contractor, Contractor is responsible for employing and directing such personnel and agents as it requires to perform the Work. Contractor will exercise complete authority over its personnel and agents and will be fully responsible for their actions.

13. Termination

- a. Breach: Either Party's failure to perform any of its material obligations under this Contract, in whole or in part or in a timely or satisfactory manner, will be a breach. The institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) days after the institution of such proceeding, will also constitute a breach. In the event of a breach, the non-breaching Party shall provide written notice of the breach to the other Party. If the breaching Party does not cure the breach, at its sole expense, as reasonably determined by the non-breaching Party in its sole discretion, within thirty (30) days after delivery of notice, the non-breaching Party may exercise any of its remedies provided under this Contract or at law, including immediate termination of this Contract.
- b. Non-Appropriation: The other provisions of this Contract notwithstanding, County is prohibited by law from making commitments beyond the current fiscal year. Payment to Contractor beyond the current fiscal year is contingent on the appropriation and continuing availability of funding in any subsequent year. County has reason to believe that sufficient funds will be available for the duration of the Contract. Where, however, funds are not allocated for any fiscal period beyond the current fiscal year, County may terminate this Contract without penalty by providing 30 days' written notice to Contractor.
- c. Convenience: In addition to any other right to terminate under this Section 13, County may terminate this Contract, in whole or in part, for any or no reason, upon 30 days' written notice to Contractor.

14. Contractor Obligations upon Termination or Expiration: By the **End Date** or effective date of termination, if earlier, Contractor must (1) remove from County property all of its personnel, equipment, supplies, trash and any hazards created by Contractor, (2) protect any serviceable materials belonging to the County, and (3) take any other action necessary to leave a safe and healthful worksite. Any items remaining on County property after the **End Date** or the effective date of termination, if earlier, will be deemed abandoned by Contractor.

15. Payable Costs in Event of Early Termination: If County terminates this Contract before the **End Date**, Contractor's payments (and any damages associated with any lawsuit brought by Contractor) are limited to only (1) payment for **Work** satisfactorily executed and fully and finally completed, as determined by County in its sole discretion, prior to delivery of the notice to terminate, and (2) the reasonable and actual costs Contractor incurred in connection with performing the Work prior to delivery of the notice to terminate. Contractor explicitly waives all claims it may have against the County for any other compensation, such as anticipatory profits or any other consequential, special, incidental, punitive or indirect damages.

16. Remedies for Non-Performance: If Contractor fails to perform any of its obligations under this Contract, County may, at its sole discretion, exercise one or more of the following remedies (in addition to any other remedies provided by law or in this Contract, including in Exhibit B – Scope of Work), which shall survive expiration or termination of this Contract:

- a. Suspend Performance: County may require that Contractor suspend performance of all or any portion of the Work pending necessary corrective action specified by the County and without entitling Contractor to an increase in compensation or extension of the performance schedule. Contractor must promptly stop performance and incurring costs upon delivery of a notice of suspension by the County.

- b. Withhold Payment Pending Corrections: County may permit Contractor to correct any rejected Work at the County 's discretion. Upon County 's request, Contractor must correct rejected work at Contractor's sole expense within the time frame established by the County. Upon full and final completion of the corrections satisfactory to the County, County will remit payment to Contractor.
 - c. Deny Payment: County may deny payment for any Work that does not comply with the requirements of the Contract or that Contractor otherwise fails to provide or fully and finally complete, as determined by the County in its sole discretion. Upon County request, Contractor will promptly refund any amounts prepaid by the County with respect to such non-compliant Work.
 - d. Removal: Upon County 's request, Contractor will remove any of its employees or agents from performance of the Work, if County, in its sole discretion, deems any such person to be incompetent, careless, unsuitable, or otherwise unacceptable.
17. Binding Arbitration Prohibited: County does not agree to binding arbitration by any extra-judicial body or person.
18. Conflicts of Interest: Contractor may not engage in any business or personal activities or practices or maintain any relationships that conflict in any way with the full performance of Contractor's obligations.
19. Notices: All notices provided under this Contract must be in writing and sent by Certified U.S. Mail (Return Receipt Requested), electronic mail, or hand-delivery to the other Party's **Contact Name and Email** specified in the **Summary**. For certified mailings, notice periods will begin to run on the day after the postmarked date of mailing. For electronic mail or hand-delivery, notice periods will begin to run on the date of delivery.
20. Statutory Requirements: This Contract is subject to all statutory requirements that are or may become applicable to counties or political subdivisions of the State of Colorado generally, including but not limited to:
- a. C.R.S. § 38-26-107, which requires withholding funds where the County receives a claim for payment from a supplier or subcontractor of Contractor upon notice of final settlement (required for public works contracts that exceed \$150,000);
 - b. C.R.S. § 8-17-101 et seq.;
 - c. C.R.S. § 18-8-301, et seq.;
 - d. C.R.S. § 18-8-401, et seq.; and
 - e. C.R.S. §§ 24-85-101, et seq., C.R.S.. Specifically, Contractor shall comply with and the Work Product provided under this Contract shall be in compliance with all applicable provisions of §§24-85-101, et seq., C.R.S., and the Accessibility Standards for Individuals with a Disability, as established by OIT pursuant to Section §24-85-103 (2.5), C.R.S. Contractor shall also comply with all State of Colorado technology standards related to technology accessibility and with Level AA of the most current version of the Web Content Accessibility Guidelines (WCAG), incorporated in the State of Colorado technology standards. The County may require Contractor's compliance to the State's Accessibility Standards to be determined by a third party selected by the State to attest to Contractor's Work Product and software is in compliance with §§24-85-101, et seq., C.R.S., and the Accessibility Standards for Individuals with a Disability as established by OIT pursuant to Section §24-85-103 (2.5), C.R.S.

21. No Suspension or Debarment: Contractor certifies and warrants for the duration of the **Work** and the duration of the Contract, that neither it nor its principals nor any of its subcontractors are debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this Contract by any Federal or State department or agency. Contractor shall comply, and shall require its subcontractors to comply, with subpart C of 2 C.F.R. § 180.
22. Entire Agreement/Binding Effect/Amendments: This Contract represents the complete agreement between the Parties and is fully binding upon them and their successors, heirs, and assigns, if any. This Contract terminates any prior agreements, whether written or oral in whole or in part, between the Parties relating to the Work. This Contract may be amended only by a written agreement signed by both Parties.
23. Assignment/Subcontractors: This Contract may not be assigned or subcontracted by Contractor without the prior written consent of the County. If Contractor subcontracts any of its obligations under this Contract, Contractor will remain liable to the County for those obligations and will also be responsible for subcontractor's performance under, and compliance with, this Contract. Notwithstanding the foregoing, Contractor may assign this Contract without the written consent of the County if such assignment is (i) pursuant to a corporate reorganization; (ii) upon a consolidation, merger, reincorporation, sale of all or substantially all of its assets related to this Contract; or (iii) a similar transaction or series of transactions. Contractor shall notify the County within thirty (30) days of any assignment pursuant to these provisions.
24. Governing Law/Venue: The laws of the State of Colorado govern the construction, interpretation, performance, and enforcement of this Contract. Any claim relating to this Contract or breach thereof may only be brought exclusively in the Courts of the 20th Judicial District of the State of Colorado and the applicable Colorado Appellate Courts.
25. No Waiver: The failure of either Party to exercise any of its rights under this Contract will not be deemed to be a waiver of such rights or a waiver of any breach of the Contract. All remedies available to a Party in this Contract are cumulative and in addition to every other remedy provided by law.
26. Severability: If any provision of this Contract becomes inoperable for any reason but the fundamental terms and conditions continue to be legal and enforceable, then the remainder of the Contract will continue to be operative and binding on the Parties.
27. Third-Party Beneficiary: Enforcement of the terms and conditions and all rights and obligations of this Contract are reserved to the Parties. Any other person receiving services or benefits under this Contract is an incidental beneficiary only and has no rights under this Contract. Notwithstanding, where the beneficiary Department or Office is led by an Elected Official, such Elected Official shall be considered a third-party beneficiary.

30. Governmental Immunity: Nothing in this Contract shall be construed in any way to be a waiver of the County's immunity protection under the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, et seq., as amended.

The Parties will not object to the admissibility of this Contract in the form of electronic record, or paper copy of an electronic document, or paper copy of a document bearing an electronic signature, because it is not in its original form or is not an original.
